

If you have a problem, question, or request, call your local dealer or AMQ Customer Care (877.801.0370) for immediate action by people who want to help you.

Step 1:

Insert end supports at the same level; ensure safety tabs are engaged on binder bin end supports.

Step 2:

Angle shelf into support. Ensure front shelf flange is engaged in end support clasp.

Step 3:

Slide shelf forward into front clasp. Push down on back of shelf until fully seated.

Binder Bins:

Step 4:

Two Door Version Only.
Engage middle supports tab into slots. Tip middle supports together and secure.

Step 5:

Slide door assembly into top of supports. Engage dust cover into tabs.

Step 6:

Use clip to gang binder bins together in a side by side application.

△ Tip:
Make sure the front and rear tabs are aligned and engaged at the same time.

△ Tip:
Apply force to front edge of dust cover when seating dust cover into tabs.

Step 7:

To disengage the door assembly push up on the rear dust cover ledge and pull out.

△ Tip:

Bin alignment

-Ensure panels/wall tracks are level and plumb

Door function, check for:

-bow in dust cover
